The following is a company announcement issued by ANCHOVY STUDIOS p.l.c. (the Company) pursuant to Rule 4.11.13 of the Prospectus Rules.

Reference is made to the Company Announcement ANC49 uploaded on 15 April 2021 which provided an explanation to the material variance between the Audited Financial Statements for the year ended 31 December 2020 and the projections that were published in the Financial Sustainability Forecast issued on 19 December 2019 (Company Announcement ANC26).

Inadvertently there was an error in the wording of the sentence “This difference in revenue was compensated by lower costs given that actual costs for FY2020 totalled €1,152k whilst projected costs were €1,018k.” Consequently, this sentence should now read as follows “This difference in revenue was compensated by lower costs given that actual costs for FY2020 totalled €1,018k whilst projected costs were €1,152k.”
